Saving Money While Taking Care of Your Car Using the Speedy Cash Card!

How Does the Speedy Sparkle Cash Card Work?

The Card is Valid for Full and Deluxe Service Washes and Detail Services. Whatever wash or detail service you select, simply present your cash card to the Cashier and the cost of your services will be deducted from the balance on the card. It's super easy and convenient.

Does it expire like coupons?

No, your cash card never expires. You may use it any time you choose.

Can I use my cash card and a coupon for the same wash?

Sorry, the savings are so great on our Speedy Sparkle Cash Card that use of the Cash Card may not be combined with Coupon offers.

How do I know how much money is left on the Card?

Each time you use the card, your receipt will show your card's remaining balance. You can add funds to your card at any time.

When do I receive my discount?

You receive your discount when you buy or add funds to your card. If you purchase a $50 card, it will only cost you $45. Your discount comes off the purchase price of the card. The card has the full value available for purchases, in this case, $50. Your Savings are locked in when you buy the card.

When can I use my Cash Card?

Your new Cash Card is good for services next day after you buy it. Current Cash Card holders can add funds to their account and use the card at any time.

Is the card only for one car?

No, you can use it on all your cars, over and over again. Just present the card and we will use it to take care of your washes.
